

BOATING THIS SUMMER?

If the answer is yes then now is the time to move your boat to the best location on the Broadwater, Runaway Bay Marina

- **Save Time and Fuel.** No sooner than you leave the Marina you are opposite South Stradbroke Island on the Broadwater and can be at full speed and on your way to your favourite destinations. Cruising at 15 knots will get you to the Seaway in just 10 minutes.
- **Easy Berthing** Brand new fully protected berths with plenty of room to manoeuvre, ample convenient parking on site and trolleys to help you load your gear.
- **All Facilities**
 - **The Essentials.** Fuel, bait, tackle and ice 7 days a week at Marina Fuels.
 - **Need a feed.** Fancy a snack, coffee, a takeaway or a sit down meal? All are offered on site from our licensed tenants.
 - **Need something fixed** or looking to upgrade? Again we'll have someone at the marina that can help.
- **Competitive Rates** give us a call, you may pay less for boat storage than you think.

Do you own a Trailer Boat? Does it only seem to get wet when it rains? Why not try dry storage at Runaway Bay Marina?

- We find our customers get more use and spend more time on the water enjoying their boats because:
- **No wasted time** towing your boat back and forth. You don't even need to keep a trailer.
 - **We'll launch and retrieve** the boat for you any day of the week, it will be floating at the dock when you ask for it, as often as you need it and at no extra charge.
 - **You can forget** the stress of using boat ramps and avoid 'ramp rage'.
 - **You can wash down** and do all your servicing without leaving the site.
 - **For late or early starts** or a night on board, we'll provide a free courtesy berth on the Marina.
 - **When not in use** the boat will be safe and secure, but not taking up your space at home.
 - **Short trips** out for a couple of hours are easy with the launch and retrieval done for you.

Keen to Avoid Breakdowns and Save Money?

- Book now before the busy season and get the best deal on a haul out at Runaway Bay Marina's shipyard, you'll save time, money and maintain your boat's value.
- **Whist out of the Waters.**
 - **Anti-foul the hull and running gear.** Smooth bottom and props mean better speed, fuel savings and easier handling.
 - **Check the motor.** Get your engine inspected and serviced by mechanics onsite because prevention really is cheaper than cure. Avoid that 'Murphy's Law' breakdown when your family and friends are out boating on the best day of the year.
 - **Change those Anodes.** Ensure your craft and its equipment are not literally dissolving away.
 - **Make your boat look its best.** Get a clean and polish, repair binnacle and replace cleats.
 - **Check the electrical system and update electronics.** avoid flat batteries and know exactly where you are and where you are going.

STRESS FREE BOATING LEISURE

- 12-20m First class fully protected marina berths.
- Dry storage up to 8mt with 7 days per week launch and retrieve service included.
- Environmentally friendly shipyard with open, screened and covered work areas.
- All marine services conveniently located at the marina.
- New and used boat sales offering the best range on the Gold Coast.
- On-site security plus 24/7 CCTV surveillance.
- Ample off street parking with dock trolleys provided for loading/unloading your vessel.
- Licensed Cafes and Restaurants for dine-in or take away meals, snacks and beverages.
- Fuel, bait, ice, tackle and Laundromat.
- Game and reef fishing charter boats, water taxis to South Stradbroke Island.
- Great rates for overnight and short term stays.
- Inquire about our seasonal storage specials.

ARE YOU INTERESTED?

If you would like to know more why not call in,
